 Built 1925
 Most Recent Renovation 1960
 Enrollment*: 487
 Principal: Chester J. Janusz
 Assistant Principal: Theresa Elias

A primary initiative at Park and around the district this year is technology. Students have numerous opportunities across the curriculum to begin to learn and use the technological skills they need to succeed in the Information Age. Students in sixth through eighth grades have at least nine weeks' experience in computer technology, with eighth graders participating in a half-year "Information Technology" program.

SCHOOL ONE
 Willow Avenue
 Scotch Plains
 (908) 322-7731
 Built 1972
 2 Modular Classrooms Added 1998
 Enrollment*: 406
 Principal: Jeffrey Grysko

Students at School One are working to improve their public speaking and social problem solving abilities this year. Oral presentation exercises encourage students to gather data, prepare a presentation and practice good public speaking skills. In learning to solve problems effectively, students are encouraged to work with their peers, follow directions and resolve conflicts with the intent of strengthening their school community.

TERRILL MIDDLE SCHOOL
 Terrill Road
 Scotch Plains

 Built 1965
 Enrollment*: 429
 Principal: John C. Foulks
 Assistant Principal: Joseph J. Farrell

In September, Terrill welcomed its largest sixth grade class in 15 years. The school introduced mini-block scheduling into the sixth grade foreign languages, physical education, technical education and home economics classes. This way, students enjoy expanded classes of 80 minutes three days a week for 4.5 weeks. Teachers are taking advantage of the additional time to initiate more exciting activities with their students.

SPFHS launched the 1998-99 school year with the successful completion of its 18th Student Leadership Conference. Organized under the direction of the Delphi Team of staff and community members, the weekend event included 12 adults and 51 students, ranging from freshmen to seniors. The theme of the conference is to build a community of young people and adults into small teams who will design activities to make their school and community better places to live and learn.
