

Music Boosters

The Scotch Plains-Fanwood Music Boosters Association launched a district-wide program earlier this year to raise funds for musical programs not covered under the annual school budget.

Music Booster programs are already in place at the high school and Terrill Middle School, and are now being formed at Park Middle School and the district's five elementary schools.

Pictured are some of the many groups which make up the music program at Scotch Plains-Fanwood High School. They are, clockwise from upper left, the Sensations, the Moonglowers, All State Chorus participants in a special holiday performance as a barbershop quartet, and the Raider Show Band.

The Sensations are a repertory group known for their lively musical productions, while the Moonglowers specialize in Big Band-era sound. Both are shown on this page during performances at the annual Summer Concert Series in the downtown.

Winner of numerous competition awards, the Raider Show Band's talents are also showcased at local football games. The high school also boasts several show choirs and the SPF Jazz Band among its diverse and talented musical ensembles.

For information about the dinner dance celebrating 60 years of music in the district, please call (908) 889-6400.

The Wardlaw-Hartridge School
