until the half. Continuing their total dominance, in the second half, the Blue Devil offense pressed the attack. Finne fired a wicked shot which was deflected by the Cougar goalie and with 3:05 off the clock, Lau netted the final goal into the upper-left side.

"We have been frustrated. We were 0-3. We haven't scored a goal. They have been a very unemotional team, thinking that things were going to happen," explained Kapner of his team's previous games. "But, I got to give the captains (Ianni, Rapuano and Erik Schoenemann) a lot of credit. They had the team ready to go today."

However, Kapner cautioned, "We came out exploding. Almost with too

much emotion in the first 15 minutes! We actually did not play good technical soccer during that time."

From that point on, the Blue Devils took over the game technically. Kapner explained, "Coach (Dave Shapiro) and I did not say anything. We left them alone for a little while, then pulled the midfield off and talked to them on the sidelines. We told them to play good technical soccer. Protect the ball, control it and change fields. They went out and did exactly that, then Lau made an unbelievable shot and that opened the floodgates."

The Blue Devils improved to 1-3 while the Cougars fell to 2-1.

Head Coach Ed Tranchina of his lineup change. "We made some mistakes but our kids picked it up. We had two more touchdowns, one called back and we fumbled on the one-yard line going in, so the kids did pretty good."

Tranchina did point out, "Cranford is doing a great job. Hull is a great young coach. He played for me when I was at Cranford. He is doing everything right. They just got to give him some time and it is going to be an up-and-coming program."
